Subject: PPDC Meeting Materials, Batch 2
Attachments: Endangered Species Act Update.PPDC May 2020.pdf; Chlorpyrifos Update May 2020 PPDC.pdf; Dicamba Update.PPDC May 2020.pdf; Glyphosate Update.PPDC May 2020.pdf; Neonics Update.PPDC May 2020.pdf; Pollinator Protection Update.PPDC May 2020.pdf; Public Health Workgroup.PPDC May 2020.pdf; Emerging Technologies.PPDC May 2020.pdf; Certification of Applicators Update.pdf; Worker Protection Standard Regulations Status Update.PPDC May 2020.pdf

Dear PPDC members,

Please see attached a "second batch" of materials, listed below, in advance of the meeting next Wednesday and Thursday, May 20-21. We have one more one-page update and one more presentation to share and will ensure that you have them prior to the meeting.

Attached are 2 Presentations for sessions:

#2, Public Health Workgroup (This document refers to

#3, Emerging Technologies

Also attached are 8 one-page updates. Members will have the opportunity to ask questions about these during sessions #5 and #6.

- Endangered Species Act Update
- Chlorpyrifos Update
- Dicamba Over-the-top Use in Cotton and Soybeans Update
- Glyphosate Update
- Neonicotinoids Update
- Pollinator Protection Activities Update
- Worker Protection Standard Update
- Certification of Applicators Update

Note that all documents will be posted to the PPDC website prior to next week's meeting, here: [Pesticide Program Dialogue Committee Meeting, May 20-21, 2020](#). You may find this a convenient place to access the documents during the meeting should you want to. We will also be showing the documents on the Adobe Connect screen.

Please reach out with any questions or concerns you may have. We're looking forward to the meeting!

PPDC Adobe Connect Tech Check:

We have one more tech check scheduled for Monday, May 18th from 2:30pm to 4:00pm (EST). Here are the conference line number and link for joining the tech check:

Virtual Meeting Link: <https://epawebconferencing.acms.com/ppdc-webinar>

Conference line number: **(866) 299-3188**—Conference code: **703-308-8200**
